* ECA Approved

The Enhanced Capital Allowance Scheme enables businesses to claim 100% first year capital allowances on investments in energy saving technologies and products. Businesses are now able to write off the whole cost of their investment against their taxable profits of the period during which they make the investment.

Managed by the Carbon Trust.

See www.eca.gov.uk for further information.

 Enhance the worth of your space

PANAMA, the slimmest remote wall multi-deck cabinet on the market. The PANAMA is the most advanced wall cabinet in its range. It is available in three depths and it can be installed in sales areas where the optimisation of ground-encumbrance represents its main characteristic. The PANAMA line offers a wide range of solutions which simplify the furnishings of small and medium supermarkets and it is suitable to exploit special sales areas inside hypermarkets.

Promotional offer - £100 cash back

We are offering a £100 credit note on all purchases of any Arneg Refrigeration Equipment over £2000.

This will be redeemable at any Lowries cash & carry.
 Please contact - Frank or Steven on 0191 259 1888
